

Help!

Everyone needs a little help every now and then. Use this guide to know where to go when you need it.

If you need help with your **grades, class requirements, or feedback** on your progress:
Contact your teacher! **Use the messaging center** from your Dashboard to create and send a message.

If you are awaiting a **“Teacher Review”**:
Some courses will stop you so an instructor can review your work. You should **contact your teacher by phone or through the messaging center** to ask for a review.

Use your Student Support button

and select the subject you need help with! You will be connected to a coach who will immediately provide you support.

If you are having **technical difficulties**:
