Giant Campus Academy Mission Statement

We will engage and support motivated, independent learners in standards-based curriculum, through our virtual classroom, available at any time, from any place, at a flexible and personalized pace.

"We are creating the future of the teacher-student experience."

Academic Standards and Policies

Giant Campus Academy strives to maintain the highest academic standards. Therefore, students are expected to demonstrate an intrinsic desire for academic success. Students who take full advantage of the opportunities offered at the school will effectively increase their intellect, build their character, and find success in their future endeavors.

Any student who wishes to enroll with Giant Campus Academy must have a minimum cumulative GPA of 1.5 from current/previous High School.

We admit students of any race, color, nationality, and ethnic origin to all the rights, privileges, programs, and activities at Giant Campus, and we do not discriminate on the basis of race, color, or national or ethnic background in the administration of any of our programs.

Student Code of Conduct

Giant Campus Academy is a school based on the foundation of courtesy and respect for each student and instructor. Our code of conduct is designed to foster and encourage the highest standards of honor, integrity, and morality. Students accepted in our program must commit to abiding by the Student Code of Conduct found in our student handbook. Compliance with these rules and policies will ensure that students learn in an environment free from harassment, negative attitudes, and offensive actions.

Etiquette Standards

Communication between students and instructors is achieved through various methods, including phone calls, live chat, e-mail, and web conference. Inappropriate communication of any kind is strictly prohibited. Vulgar, profane, insulting, or derogatory comments will not be tolerated. All communication between instructors and students must be professional and respectful. In the event that a student is found in violation of this rule, the parent/guardian will be notified and appropriate disciplinary action will be taken.

Academic Integrity

Academic integrity is expected on all courses, assignments, and activities. Violations of academic integrity include plagiarism, cheating, and/or fabrication or falsification of information submitted on projects, assignments, papers, or exams. Infractions of this policy will not be tolerated and will be dealt with on an individual basis. The penalties for plagiarism and cheating are as follows:

- **First offense:** Student receives a warning, and the assignment is reset.
- **Second offense:** Student automatically fails the assignment and is not given the option to redo the assignment.
- **All successive offenses:** Student automatically fails the course.

After each offense, the parent/guardian will be notified via e-mail. There may be a follow-up phone call to discuss any questions or concerns. Each offense is per student, not per course, and each student will only receive two warnings before the course is failed.

A student may not claim another person's work as his or her own, or use unauthorized materials to gain advantage during assignments or testing. Tests are to be taken by the student without any assistance. Assessments and assignments are only constructive when they are based on a student's original work. Only original work is useful to both the student and the educators. Avoid academic dishonesty and misconduct in all its forms.

Situations of Suspension or Expulsion

In the event that suspension or expulsion is necessary per school policies, tuition fees are not refundable. Giant Campus makes every effort to work with students regarding policy violations. A suspension or expulsion from Giant Campus Academy will only occur under extreme circumstances and only after the student has been given fair warning.

Inappropriate Internet Activities

Giant Campus Academy does not condone, nor is it responsible for, any inappropriate use of the Internet.

Appeal Process

Appeal Process for Academic Action and Resolving Academic Grievance

Students receiving a grade, which they feel is unfair, may appeal the decision by submitting a letter of appeal to the administration, requesting that the case be presented before the Academic Board. An Academic Board decision will be given within thirty days.

Appeal Process for Suspension or Expulsion

In the event that a student is suspended or expelled and the student wishes to appeal the decision, a formal letter must be submitted to the school, outlining the student's desire to appeal, stating the reason for the appeal, and listing any extenuating circumstances leading up to the suspension or expulsion. The submission of an appeal does not guarantee acceptance. All appeals will be reviewed on an individual basis.

Program Requirements

Our online and blended learning solutions are built on a robust learning management platform that is designed with end users in mind. Our system is secure, easy to implement, and compatible with the most commonly used browsers and hardware. Please review the technical specifications and installation requirements at the links below to ensure full compatibility and a positive experience:

Grading Standards

Grading System

The following academic letter grades will be used: A, B, C, D, F. The plus (+) or minus (-) will be used, except in the case of A+ and F-. There will be no rounding up or down of any score or grade issued by Giant Campus Academy.

Calculating Your GPA

For the purpose of determining Grade Point Average (GPA), the following grade scale is used:

A	94-100	C	74-76.9
A-	90-93.9	C-	70-73.9
B+	87-89.9	D+	67-69.9
B	84-86.9	D	64-66.9
B-	80-83.9	D-	60-63.9
C+	77-79.9	F	0-59.9

Testing

It is the responsibility of parents and students to research and complete any standardized test requirements for their state. Giant Campus Academy does not require these for graduation. Giant Campus Academy does not make arrangements for any standardized tests, including nationally issued tests such as the ACT, SAT, or AP exams.

Student Records

Permanent Record

The school maintains a permanent record for each student. When applicable, records concerning standardized test scores, health information, Individual Education Plans (IEP), and behavioral records will also be included. This record is confidential and open to parental inspection on request. When students transfer out of Giant Campus Academy, this record will be sent to the new school after receiving a request from that school.

School Transcripts of Credit Earned

The school maintains a transcript of all classes attempted and completed through Giant Campus Academy. Transcripts may also include credits transferred from other educational institutions. To receive a copy of the transcript, the student or parent/guardian must complete a transcript request form. The request will be filled within five to seven days. Giant Campus Academy is willing to provide five transcripts free of charge. For any additional transcripts, a minimal fee may be applied.

Repeating a Class

Students who receive a failing grade in any course at Giant Campus Academy, or from another high school, may retake the same class, or an equivalent, and receive the higher score as a permanent grade. Both grades will appear on the transcript and will be calculated in the student's Grade Point Average (GPA).

Credit Transfer

Credits transferring from other institutions will be evaluated and accepted at the school's discretion. Generally, credit granted by schools accredited through Northwest Accreditation Commission, or equivalent regional accreditation associations, will be accepted. Giant Campus Academy reserves the right to deny the transfer of credits. Credit granted from other institutions or home school instruction may be accepted, but is subject to in-depth review and students will be asked to provide an outline of the topics covered and a report of the assignments completed and grades earned. Students entering ninth grade must submit copies of middle school report cards that may reflect credit granted.

Class Add or Drop

Students may add or drop classes at any time. Additional tuition or fees may be required to add classes, and no refunds are given for dropped classes after the initial fifteen days of enrollment with Giant Campus Academy.

High School Graduation

Graduation Requirements

Students must complete all course requirements as indicated on the graduation plan, linked from the course catalog page of the Giant Campus website. A total of eighteen credit hours are required for graduation. Credits may be transferred from other regionally accredited institutions, but at least four credits must be completed through Giant Campus Academy to receive a diploma. The prospective graduate is responsible for providing records of all previously completed high school course work in the form of an official transcript. Although Giant Campus Academy can request transcripts from the student's previous school, it is the responsibility of the student to ensure those transcripts are received.

Graduation Application

Students who believe they are prepared for graduation are required to undergo an Academic Review process. The review will determine whether the student has completed all of the necessary graduation requirements. To begin this process, a Graduation Application must be submitted. The submittal of a Graduation Application does not certify that the student will be cleared for graduation. If the review proves that additional credits are needed, then the student must complete them before he or she will be allowed to graduate. If graduation is denied, then the student will be notified in writing and the results of the Academic Review will be made available.

Students With Disabilities

Students with any disability which may impair their ability to successfully complete a course should contact Giant Campus Academy offices. Academic accommodations are granted for all students who have qualified, documented disabilities. Accommodations are determined on an individual basis.

Courses and Tuition

Students are permitted to take as many courses as they'd like during their 12 months of enrollment but no more than six courses at one time. The courses will be open for eighteen weeks.

Students may continue on in GCA after their initial 12 months, however, the student and/or parent/guardian is responsible for the tuition for the extended timeframe. An extension for a specific course must be requested by the student or parent/guardian prior to the end of the course. Courses taken on a monthly tuition plan will remain open as long as tuition is up to date. Courses with no activity for forty-five days or more will be temporarily dropped, until the student or guardian contacts the school regarding course activity. Any fees resulting from required materials for any course are not included in tuition costs and are the responsibility of the student or parent/guardian.

Student Withdrawal

Students are given a 28-day grace period in which they can withdraw with no changes to their permanent transcript. If a student chooses to withdraw after 28 days, the student will receive a grade for the course. If a student is on the monthly tuition course plan with monthly payments, then all future payments will be canceled and access to the student's courses will end on the date the next payment would have been due. If a student has paid in full for courses, then no refunds will be given for any tuition amounts already paid. To withdraw, a student must speak with a school representative during office hours and fill out any required forms. Please do not make withdrawal requests through mail, voice mail, e-mail, or fax.
